Volusia County Fairgrounds – DeLand, FL

Golden Spike Enterprises, Inc. is pleased to enclose information on the **65th, 66th & 67th FLORIDA RAIL FAIRS**. The **64th FLORIDA RAIL FAIR**, which was held on July 14th, 2018, had very good attendance and the newspaper promotion the show received was excellent. We certainly look forward to the cooler weather for these next three shows.

All the **FLORIDA RAIL FAIR** shows will be held at the Tommy E. Lawrence Arena. This outstanding facility, with 22,000 square feet, continues to provide both customers and dealers with convenient free parking and easy access for loading and unloading. The Volusia County Fairgrounds is well known throughout Florida and is located off I-4, exit 118 A, with the Tommy E. Lawrence Show Arena located at the south end of the fairgrounds.

We will again have a second larger building for the January 2019 show, which is dedicated to operating layouts and displays. The Townsend Show Arena is located across from the Tommy E. Lawrence Show Arena. We will have several operating modular displays that fill this building; including **The Orlando N-Trak Club, Jim Mercier's G-Scale, American Flyer Layout, Dick Estes "Dogbone" Layout** and the **First Coast Model Railroad Society and the Florida Garden Railway Society**. In addition, the **Electric Railway Clubs of Florida** will be presenting a large display consisting of five layouts, displays and also a slide presentation show.

The layouts for the **October 6th** show will include the **First Coast Model Railroad Society, Jim Mercier's G-Scale** operating display, and the **Orlando N-Trak Club**. The **Volusia County Model Railroad Club** building and expanded layout will be open during our show hours.

Information on the **20th Tampa Rail Fair** to be held **Saturday, December 15th** and **Sunday, December 16th, 2018** and the **41st Annual Jacksonville Model Train and Railroadiana Show**, to be held **Saturday, February 9th, 2019**, will be mailed to you this **Fall 2018** and will also be available, in the **Fall 2018**, on our web site www.gserr.com
